

Dear colleague:

On July 1st, 2005 we commemorate the 40th Anniversary of the foundation of the National Scientific Research Center for which we call for the participation in an Associated Exhibit Fair organized for the national foreign specialists dealing with the topics related to the medical pharmaceutical industry to have a space in this 14th International Scientific Congress to show their different products and technologies.

As you deal with the commercial sphere of this industrial sector, we send you this call with the aim of letting you know in advance and you can guarantee your participation and the entity you represent. (As an exhibit firm in the Associated Exhibit Fair, CNIC 2005)

Business Round:

Each enterprise will have the chance to show orally the elements publicized in the commercial sphere, products, interests etc, in a hall near the exhibit area, in such a way that the public can know every possible detail that can help the establishment of commercial relations or the publicizing of new technologies with opportunities for the Cuban market and abroad.
