

ITALY Vacancies for November 2008

Clinical Project Manager

Covance is a leading global drug development services company and we provide support to the Pharmaceutical and Biotechnology industries.

You can make a difference by helping to deliver life-saving and life-enhancing medicines to people around the world. Our commitment to this mission has resulted in Covance's impressive history of company stability and growth. We've achieved these results by fostering a work environment that encourages, develops and leverages our team's capabilities.

This is your chance to become part of a team that helps to bring miracle of medicine to market sooner.

As a Clinical Project Manager you will be leading multi site international projects, working closely with sponsors and will have responsibility of resourcing and budget management
